

Product Announcement

Registration for Product Safety with the Ontario Electrical Safety Authority

Manaras-Opera Registers with the ESA

Manaras-Opera is pleased to advise that they have registered with the Ontario Electrical Safety Authority as of August 13, 2009, thus complying with Ontario's Product Safety regulation and the Ontario government.

ESA Specifications

- In accordance with Ontario Regulation 438/7, the ESA has implemented mandatory annual registration for manufacturers of electrical products. Such registration is required in addition to a recognized certification mark (ex: UL, CSA) or field evaluation label for electrical products to be approved for sale in Ontario.

For further information, please contact your Manaras-Opera sales representative or visit the Electrical Safety Authority's (ESA's) website at www.esasafe.com.
